A G E N D A.

1. Mr. BRAMSON'S report on the recent work of the "ORT" Delegation.
2. Dr. VISHNITZER'S report on the organisation of a Committee of the "ORT" in Glasgow.
3. Mrs. MOWSHOWITCH'S report on the work of the Manchester Branch of the "ORT".
4. PLAN of work for the "ORT" in London for the near future.
5. MISCELLANEOUS.

-----  
Mr. Bramson, Dr. Vishnitzer and Mrs. Mowshowitch, gave information on the first three points of the Agenda. After a short debate on the information given, Mrs. Mowshowitch drafted out a scheme of work for the London Branch of the "ORT". The main object of the London Branch of the "ORT" being, to obtain the necessary means which would enable the Society to fulfil its aims.

The Committees which were established at the end of 1920 must continue their work, but a new Committee, which would be a sub-committee of the Committee of Propaganda must be elected to give lectures.

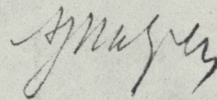

The presidiums of all the Committees of the London Branch must participate in the work of the Executive Committee. As the Committee for Propaganda had no presidium they ought to elect one. Mrs. Mowshowitch's proposal was accepted.

Mr. Zoondolevitch proposed to publish a Bulletin on the work of the "ORT".

It was decided to ask the Committee for Propaganda to discuss this proposal.
