There were present:

Mr. A. J. Halpern (In the Chair)
Mr. S. Kallin
Mr. S. Lourie
Mrs. D. Mowshowitch

Mrs. Mowshowitch communicated the letters and telegrams received from Dr. Bramson who is on the way to South Africa and from Dr. A. Singalowsky who is in Berlin arranging for the removal of the offices of the Central Board from Berlin and for the cooperation between the ORT in Germany and the Central Jewish Relief Organisations created in connection with the present emergency.

1. On the suggestion of the ORT-OZE (London) it was decided that Lord Marley be asked to arrange a luncheon in the House of Lords for a few friends of the ORT-OZE who would be likely to give financial assistance to the work of the ORT-OZE. A list of those to be invited was read. Mrs. Mowshowitch undertook to talk the matter over with Lord Marley.

2. Mrs. Mowshowitch informed the Committee that office accommodation at 97, High Holborn would not be available as from the Mid-Summer Term, and that they had an offer of a room at British Museum Station Buildings at the Annual Rental of £55., with a small additional charge for heating, lighting and cleaning.

The Committee resolved to accept the offer at the above rental and to ask the Chairman, Mr. A. J. Halpern to sign the contract with the Agents on their behalf.
